## 1 Introduction

The aim of this project is to design an e-commerce website with the knowledge of html css php and javascript we have learned. Mask shop was designed in the project. The site has an admin panel where you can add products and users. Users can buy the product they see on the homepage with wire transport and credit card methods.

## 2 Used Technologies

- VsCode
- Visual Paradigm
- Xampp
- Php
- Javascript
- Html
- Css
- Latex

## 3 Register

If the customer does not have an account in order to enter the Mask Shop site, he must first register. User information such as name, email and password are saved in the database. The user must register with an e-mail address that has not been used before and the password must not be less than 6 digits.

**REGISTER PAGE**  
You have to fiil inputs to register.

**Name**

**Surname**

**Email Address**

**Password**

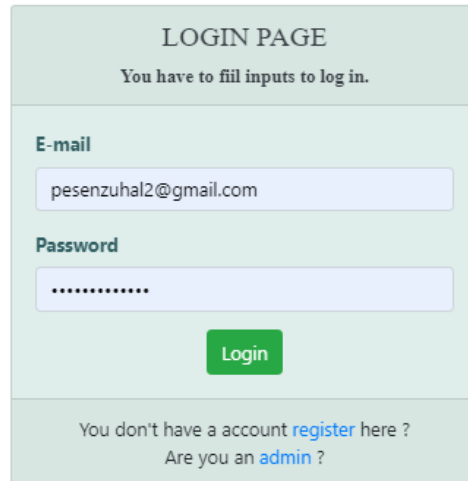

**Register**

You have a account register here?  
[Login Account](#)

Figure 1

## 4 Login

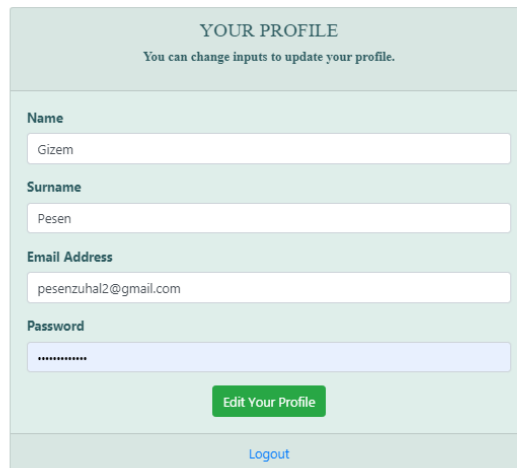

The user logs in to the site with the e-mail and password he registered before, if he has not registered, he is directed to that page with the register link at the bottom of the form. If it is admin, it is directed to the admin login page with the admin link.

The login page has a light green header with the title "LOGIN PAGE" and the instruction "You have to fill inputs to log in." Below this, there are two input fields: "E-mail" with the value "pesenzuhal2@gmail.com" and "Password" with masked characters "\*\*\*\*\*". A green "Login" button is positioned below the password field. At the bottom, there is a text prompt: "You don't have a account [register](#) here ?" and "Are you an [admin](#) ?".

Figure 2

## 5 Profile

The profile page has a light green header with the title "YOUR PROFILE" and the instruction "You can change inputs to update your profile." Below this, there are four input fields: "Name" with the value "Gizem", "Surname" with the value "Pesen", "Email Address" with the value "pesenzuhal2@gmail.com", and "Password" with masked characters "\*\*\*\*\*". A green "Edit Your Profile" button is positioned below the password field. At the bottom, there is a blue "Logout" link.

Figure 3: Home Page

## 6 Home Page

You can review the products listed with the categories in the navbar on the home page. The user can enter the product they are looking for with the above search bar and send the product to the basket with the add card button. You can change your profile information with the profile section.

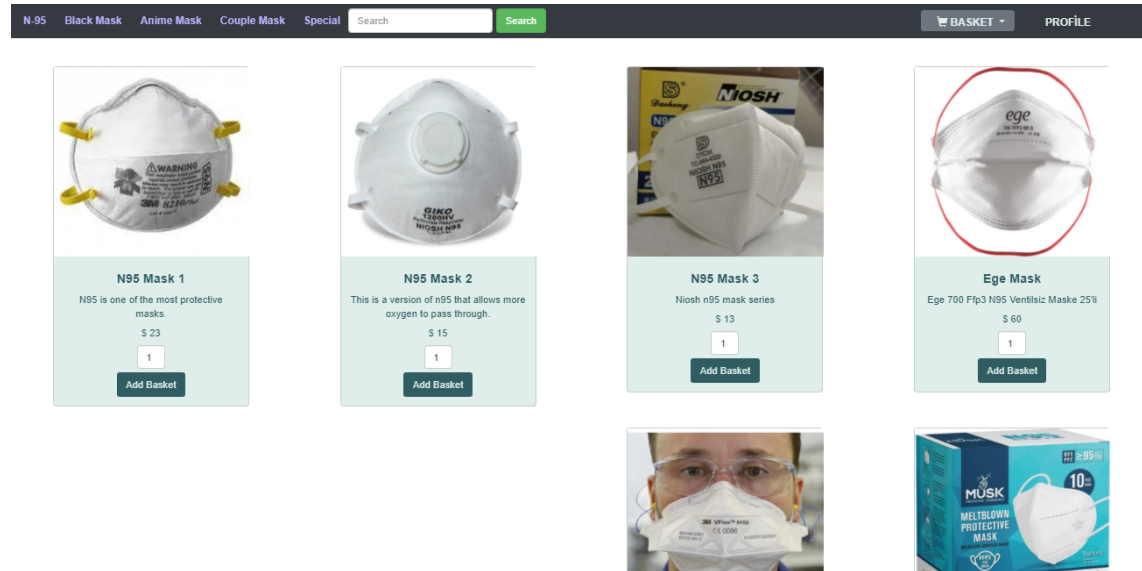

Figure 4: Home Page

## 7 Basket

The products that the user wants to buy are added to the cart and the cart shows the total result.

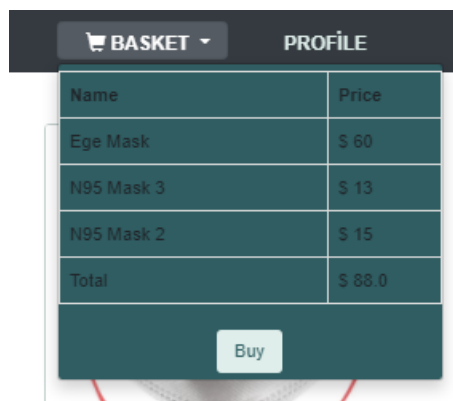

Figure 5

## 8 Checkout

When the customer can buy the product with wire transport and card information, successful appears on the screen when the information is sent.

The image shows a checkout form with two main sections: "Credit Card" and "Wire Transfer".

**Credit Card Section:**

- Address:** A text input field with the placeholder "Please Enter Your Address".
- Card Number:** A text input field with the placeholder "\*\*\*\* \* 3193".
- Cart Holder Name:** A text input field with the placeholder "Name Surname".
- Exp. date:** A text input field.
- CVV:** A text input field.
- Approve:** A dark green button.

**Wire Transfer Section:**

- Address:** A text input field with the placeholder "Please Enter Your Address".
- Account Name:** A text input field with the placeholder "Enter account name".
- Account Number:** A text input field with the placeholder "Enter account number".
- Bank Name:** A text input field with the placeholder "Enter bank name".
- IBAN:** A text input field with the placeholder "AL47 2121 1009 0000 0002 3569 87411".
- Approve:** A dark green button.

**Footer:**

- Checkout:** A dark green button.
- Go Shopping:** A dark green button.

Figure 6

## 9 Admin Login

If the user is admin, she logs into the admin panel with mail and password, similar to the customer.

## 10 Admin Home Page

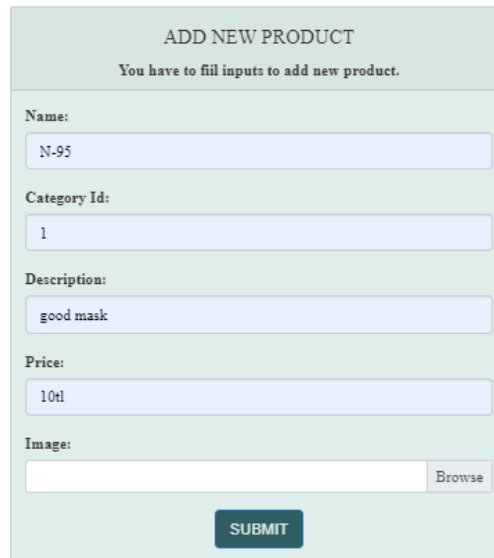

.

All Products					
ID	Name	Price	Image		
4	Anime Mask 1	\$ 15		<a href="#">Delete</a>	<a href="#">Edit</a>
5	Anime Mask 2	\$ 25		<a href="#">Delete</a>	<a href="#">Edit</a>
6	Black Mask 1	\$ 33		<a href="#">Delete</a>	<a href="#">Edit</a>
7	Black Mask 2	\$ 12		<a href="#">Delete</a>	<a href="#">Edit</a>
8	Black Mask 3	\$ 21		<a href="#">Delete</a>	<a href="#">Edit</a>
9	N95 Mask 1	\$ 23		<a href="#">Delete</a>	<a href="#">Edit</a>
10	N95 Mask 2	\$ 15		<a href="#">Delete</a>	<a href="#">Edit</a>
11	Black Mask 4	\$ 12		<a href="#">Delete</a>	<a href="#">Edit</a>
12	N95 Mask 3	\$ 13		<a href="#">Delete</a>	<a href="#">Edit</a>
13	Mr and Mrs Mask	\$ 10		<a href="#">Delete</a>	<a href="#">Edit</a>
14	Couple Mask	\$ 25		<a href="#">Delete</a>	<a href="#">Edit</a>
15	Fancy Mask	\$ 30		<a href="#">Delete</a>	<a href="#">Edit</a>
16	Horror Mask	\$ 23		<a href="#">Delete</a>	<a href="#">Edit</a>

44	3M N95	\$ 10		<a href="#">Delete</a>	<a href="#">Edit</a>
45	Musk N95	\$ 33		<a href="#">Delete</a>	<a href="#">Edit</a>

Figure 7

## 11 Admin Add Product

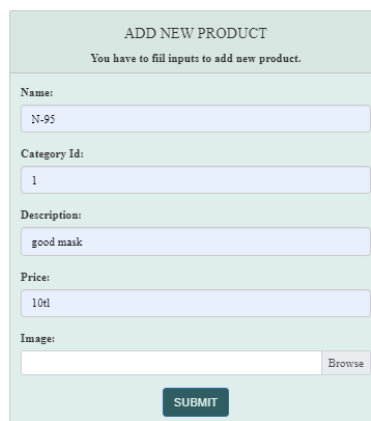

Admin can add products to the site by entering information such as name, description, price image, edit or remove these products.

The screenshot shows a web form titled "ADD NEW PRODUCT" with a subtitle "You have to fill inputs to add new product." The form contains several input fields, each with a label to its left: "Name:" with the value "N-95", "Category Id:" with the value "1", "Description:" with the value "good mask", and "Price:" with the value "10tl". Below these is an "Image:" label followed by a text input field and a "Browse" button. At the bottom of the form is a dark blue "SUBMIT" button.

Figure 8

## 12 Admin Add User

This screenshot is identical to Figure 8, showing the "ADD NEW PRODUCT" form. The inputs are: Name: N-95, Category Id: 1, Description: good mask, Price: 10tl, and an empty Image field with a "Browse" button. A "SUBMIT" button is at the bottom.
